

Zoning

(continued from page one)

and a police officer asked that Ocean Bay cease and desist from using the trailer on December 13, 1978, and ordered that cars not be parked on the state highway.

The planning board's six conditions of approval were as follows: that no construction commence until Ocean Bay has received a water easement; that all parking be sufficient for employee/business and patron parking on the site.

And in addition that the front parking lot not be used for display or sale of any items and that lights in the parking area be shielded and the dumpster be enclosed by screening.

OCEAN BAY NURSERIES CALLED ON 4 VIOLATIONS.

LAST FLING of summer beaching is enjoyed by Susan McDonald, top, who gets in some reading, too, and Jeanette Gallagher, who concentrates on water colors.

Flu Shots

The Board of Health announced this week that flu shots will be available for citizens by the end of the month. Look for future announcements in "It's Happening."

At a health board meeting scheduled for September 24 the interpretation of the rules and regulations of disposal areas with regard to stumps and brush will be discussed as it pertains to local contractors. It has also been tentatively planned to discuss the Sawchuck/Pratt property at 79 Atlantic Avenue at that same meeting.

Hydrant Flow Tests Monday

As part of the water distribution system study, fire hydrant flow tests will begin Monday. It is possible to pinpoint the exact time and location of these tests, but every effort will be made to minimize the inconvenience to homeowners.

Residents may experience brief periods of low pressure, discoloration of water. The water commissioners would appreciate your cooperation and understanding during this period.
